

REMARKS/ARGUMENTS

Re-examination and favorable reconsideration in light of the following comments are respectfully requested.

Claims 1 - 34, 36 - 42, 45 and 46 are pending in the application. Currently, claims 1 - 32 and 46 stand allowed and claims 33, 34, 36 - 42 and 45 stand rejected on the grounds of a defective reissue declaration. The Examiner has required Applicant to submit a supplemental declaration which contains the language "Every error in the patent which was corrected in the present reissue application, and which is not covered by the prior oath(s) and/or declaration(s) submitted in this application, arose without any deceptive intention on the part of the applicant."

Attached hereto is the required supplemental declaration. The rejection should now be removed and the application should now be allowed. Such allowance is respectfully solicited.

Should the Examiner believe an additional amendment is needed to place the case in condition, the Examiner is hereby invited to contact Applicant's attorney at the telephone number listed below.

No fee is believed to be due as a result of this response. Should the Director determine a fee is due, he is hereby authorized to charge said fee to Deposit Account No. 02-0184.

Respectfully submitted,

Raanan Liebermann
